

The Happy Song - Lindell Cooley

CHORUS

I could sing unending songs
Of how You saved my soul
I could dance a thousand miles
Because of Your great love
(repeat)

Verse 1

My heart is bursting Lord
To tell of all You've done
Of how You've changed my life, and wiped away the past
I wanna shout it out
From every roof top sing
For now I know that God is for me not against me

CHORUS

Verse 1

CHORUS

BRIDGE

Everybody's singin' now....cause we're so happy!
Everybody's dancin' now....cause we're so free!
If only we could see His face
And see Him smilin' over us
As unseen Angels celebrate, cause joy's in this place!
